

DIC COURSE 2019

MatchID 7th Annual DIC course—2019, July 1st-5th, Ghent, BE

The 7th MatchID annual DIC course comprising of a five days intensive course is scheduled to be held in Ghent (BE), in collaboration with the University of Ghent and the University of Southampton.

The session will include the following topics:

- The basic principles of camera, light and imaging
- 2D and stereo DIC fundamentals
- Material identification & characterization
- FEA model validation
- Hands-on practical laboratories
- Quantitative and qualitative interpretation of results and error measurements.
- Theoretical lectures alternating with in-depth experimental labs and data analysis.
- Individual evaluation and data-processing sessions.

“Extremely useful and interesting course—would recommend it to every DIC-user!!”

“Theory, lab and practice—a perfect combination to truly understand how DIC works and how it’s best implemented.”

What will you gain?

After completing the course, the participants will have acquired a high level of skills, enabling them to use DIC in an informed way and produce accurate, quantitative, validated results.

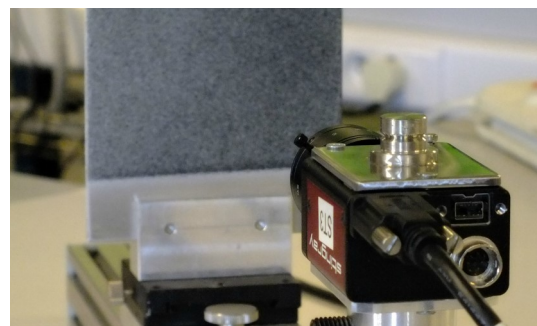

Pricing	Early bird (Before 15th April 2019)		Regular (After 15th April 2019)	
MatchID customers	Euro 2200	USD 2600	Euro 2500	USD 3000
Students	Euro 1000	USD 1200	Euro 1500	USD 1800
Others	Euro 3400	USD 4100	Euro 3800	USD 4600
